

# MINDSPLASH 2017

## A First Lego League Event

Learn to think like a scientist, be creative, work in a team, and gain confidence by participating in a Hydro Dynamics Challenge. Participants will find innovative solutions to improve the way people find, transport, use or dispose of water.

See Lego Robotics in action. High school student competitors from the R Factor and Pangaea *FIRST* Robotics Competition (FRC) teams will mentor participants throughout the day. Learn more about how you can participate in the *FIRST* LEGO League (FLL) Mumbai Regional at this FLL kickoff event!
